Considering breast surgery?

Dr. David Cho and Dr. Robert Schulz are board certified by the American Board of Plastic Surgery. They will provide experience you can count on for all your breast surgery needs, including:

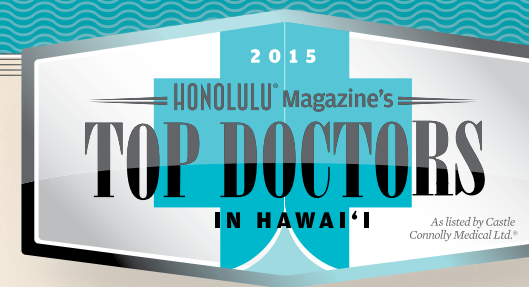

- Breast augmentation
- Reconstructive breast surgery
- Breast reduction
- Breast lift

DR. ROBERT SCHULZ

DR. DAVID CHO

Am I an ideal candidate for breast surgery?

ANSWER "Surgery can enhance self-image and provide beautiful results," says **Dr. Cho**. "The ideal candidate is healthy and has realistic expectations."

What size implants should I get?

ANSWER "The answer to this question requires time spent with my patients and attention to detail," explains **Dr. Cho**. "Listening to my patient's goals and expectations is essential. I can provide further guidance based on skin quality and the current breast shape. It really comes down to a customized approach for each of my patients."

Is breast surgery safe?

ANSWER "Achieving a wonderful cosmetic outcome is always my top priority," says **Dr. Cho**. "However, patient safety is equally important. It is helpful to choose a board-certified plastic surgeon who operates in an accredited facility. Straub Clinic & Hospital is only one of the 13 hospitals nationwide that received national recognition for Outstanding Patient Experience, Patient Safety and Hospital Clinical Distinction."
